2022 PDA Management Board Election

The Agenda will include the election of the Management Board. In accordance with the rules, each year, three Members of the Management Board retire and are eligible to seek re-election. They are representing categories 1, 2, 3 & 4:

- *Stuart Yates*
- *Windsor Powell*
- *Melvyn Pittaway*

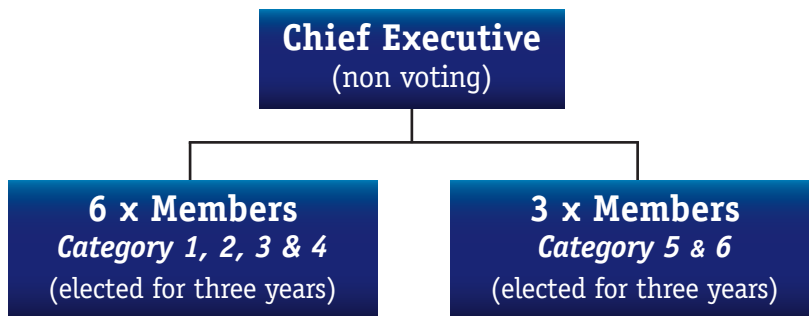

Successful candidates will be elected for three years

Members considering election to the Management Board should be prepared to attend four board meetings (usually held at PDA offices in Nuneaton) during December, March, June and September and the AGM. They are paid £150 plus travel expenses for attending each of the four board meetings.

Elected Members represent their own level of Membership as well as the PDA as a whole. They are expected to constructively participate in the management of the Association, to advise, encourage and support the CEO and staff and the development of benefits and services for our Members.

The Painting & Decorating Association is wholly owned and managed by its Members and exists to further their interests and the Painting & Decorating trade.

A total of nine PDA Members have management responsibility of the Association as illustrated here:
