

How to register and add your digital card to wallet

- Download the TradePoint App on **Apple App store** or **Google Play**
- Click **Register**, on the right-hand side.
- Enter your **email address**.
- Create a Password** – This must be at least 13 characters long.
- Click the box that says, '**I have an existing TradePoint membership card**'.
- Enter the full membership number**, on the **front** of your card.
- Enter the Postcode** where the card is registered.
- Tick the relevant consent boxes** – If you wish to do so.
- Scroll to the bottom of the page and **click register**.
- Once you are signed in, the 'My Account' will change to '**welcome....Name**'.
- Click the menu button again**, followed by Account.
- Your card/barcode will be visible – **Please click the 'Add to wallet' button**.

Note:

- *Once you have registered, you can also sign in on TradePoint website to place orders for delivery and Click and Collect.*
- *Be sure to use the card at least once a year to keep active*
